

# Mario Arturo Serrano Flores

## Contact

### Address:

Calle Pera 3720, Int 110,  
Fracc. Rinconadas del Aire.  
Condominio Villas del Aire,  
Zapopan, Jalisco. CP 45138

### Phone:

52 (686) 525 2064

### Email:

isc.serrano.flores@gmail.com

## Skill Highlights

- Self learning
- Strong Analyst
- Problem solver
- TeamPlayer

## Programming

## Languages

### Github repository site:

<https://github.com/makadown>

## Summary

A professional who has grown a lot in recent years. In his approach to work, he tends to follow policies, guidelines and rules very closely. He works more effectively in structured, clear and unambiguous situations.

Mario can quite well work by himself in solving problems and planning activities. He can be efficient in work teams, in small groups, and in peer-to-peer interactions.

## Experience

### .Net Core / Angular Developer - 02/2019 to Present

#### Eslabon Systems, Zapopan

- Member of the development team for internal payroll projects in .Net Core 3.1, Angular 9 using JIRA, Git (GitKraken), VS Studio 2017 CE, VS Code, SQL Server 2014 and MySQL.

### Java Support - 12/2010 to 09/2018

#### CETYS University, Mexicali/Tijuana

- Campus portals support
- Development of student online payments with Java Portlets creating a module that interacts and extracts information from Santander banking services.
- Implementation of teacher's online evaluation by giving support and optimizing supplier's code.
- SSL Credentials were created for student portals by generating digital certificates and implementing them with the provider's signature.
